SUMMARY

I am a highly motivated and detailed oriented Front-end Web Developer with passion for coding and embracing challenges. Fast learner with a creative mindset to solve complex challenges. As part of my efforts to increase my skills, I've been studying and undertaking projects. Therefore, I gained knowledge of techniques and processes necessary to become a successful designer and developer. I am learning Java at the moment, and I am looking for a job opportunity.

SKILLS

HTML	Figma	Customer – Oriented
CSS	Bootstrap	Detail – Oriented
